

To the Big Walnut Board of Education:

It is my pleasure to share that Big Walnut Elementary School recognizes Abigail Abraham as the district student of the month for February 2022. Abigail is a fourth grade student at BWE. She is the daughter of Abraham and Asmeret.

Abigail's current teacher, Mrs. Cannell said,

"Abigail always has a positive attitude. Her constant smile is contagious. Her classmates chose her as the best example of what it means to be kind. They wrote messages explaining how she is friendly and helps others. "

Abigail's music teacher, Mrs. Blocher, said,

"Abigail has been a positive presence since her first day at BWE. She has always come to school with a smile on her face and a greeting on her lips. She enjoys trying new things and is a wonderful role model for both her attitude and behavior. Abigail is patient with her classmates and the younger students in the school, which she demonstrates as a safety patrol. Abigail is a joy to have at BWE."

Her third grade teacher, Mrs. Kuzevski, says,

"Abigail radiates kindness and positivity throughout every day. She has a heart of gold and always looks for the good in people and different situations. Abigail works through challenges with determination to persevere and carries herself gracefully in any circumstance. She is always willing to lend a helping hand and is a role model to her peers. It was a pleasure to have Abigail in my third grade class and she is a joy to have at BWE."

Abigail's PE teacher, Mr. Flanagan said,

"Abigail is such an important piece of the BWE community. She always has a smile on her face and is very polite with her words and actions. Abigail gives her best effort in everything she does and is not afraid to make mistakes. Abigail exemplifies leadership and is very deserving of this award."

We are excited to celebrate Abigail as our student of the month. She is well deserving of this honor. See below for more information about Abigail.
