

# State of Ohio 2018 - 2019

Governor's Proposed  
K-12 Education Budget  
HB49

# State Share Index

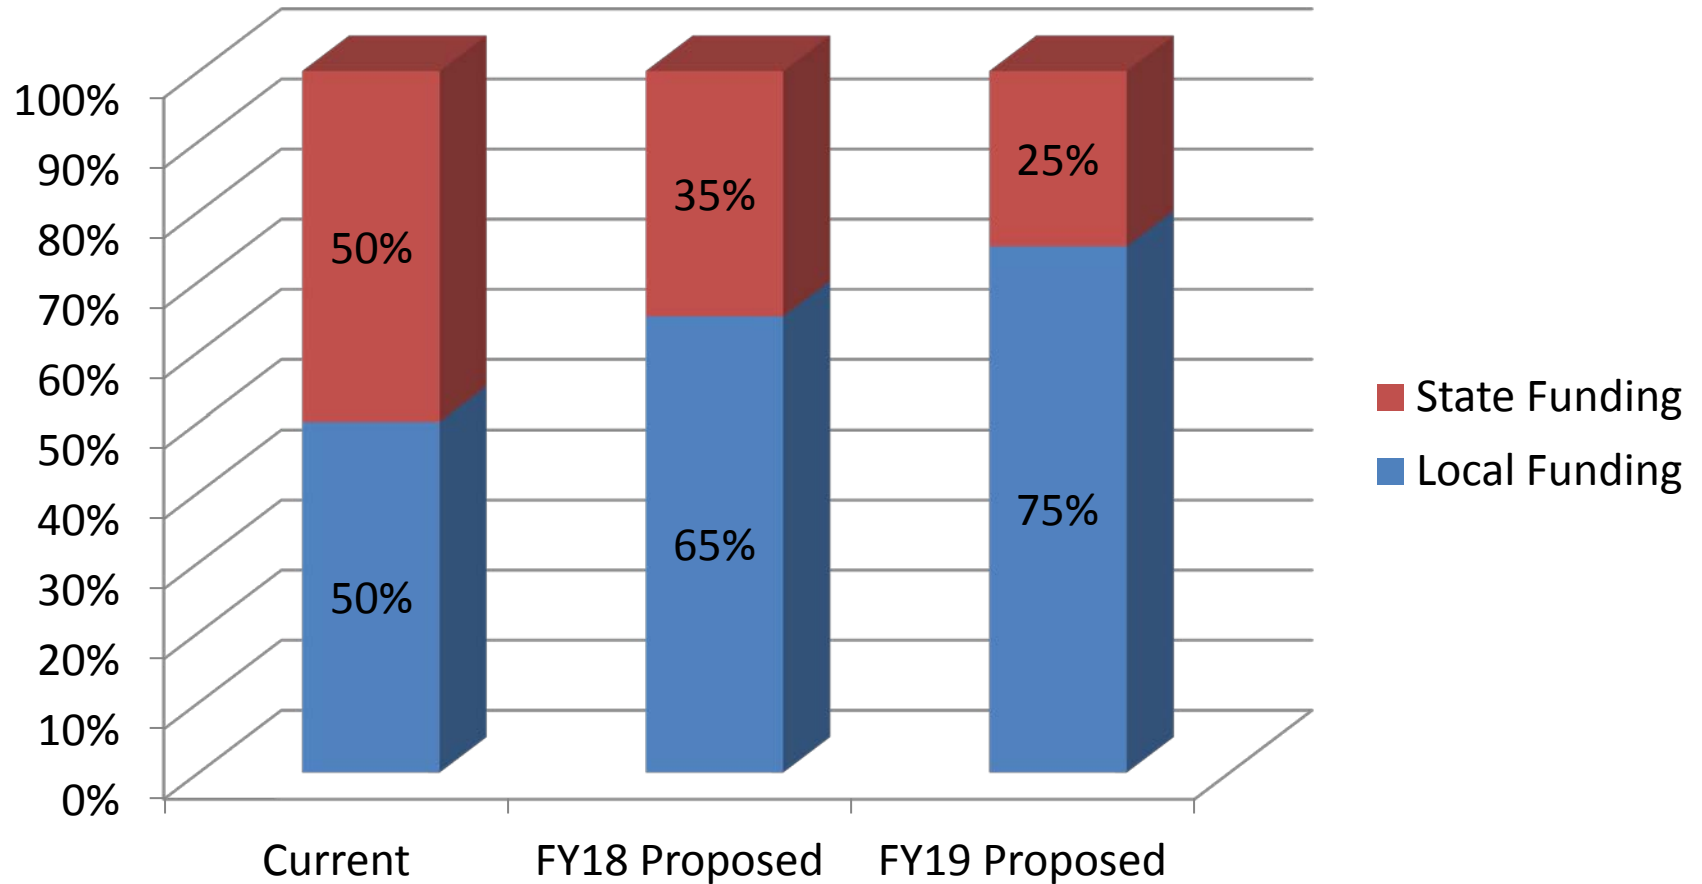

# State Share Index

Decrease in State Share is a result of:

- Increase in Median Federal Gross Income
- Increase in district property valuation

# Transportation Funding

# Other Areas of Financial Concern

- Valuation – State Share Index Calculation
- Capacity aid
- State share for career-tech
- Third-grade reading bonus
- College Credit Plus

# HB49 – State Budget Proposal – Next steps

Bill has been introduced to the House

- House committees will revise and present to full House to vote
- Senate is also reviewing and will have their version
- Conference Committee – representatives from senate, house and governors office will work out an agreement then vote
- The bill goes back to the governor for opportunity to line item veto
- General Assembly votes
- Usually passes by end of May - Deadline is June 30.

Ohio House District 68 - Representative Rick Carfagna (614)466-1431

Ohio Senate District 19 - Senator Kris Jordan (614)466-8066
