

It has been an interesting week for our students.

### ACADEMICS

- With the first semester coming to a close, this week is exam week. Our students have been working extra hard to solidify their grades.
- Next semester we will be in the new high school building, which is sure to be a very exciting transition. As teachers finish packing, students are wrapping up tests for the last time in the old high school. We are very excited for the move in January.

### EXTRACURRICULAR ACTIVITIES

- Rage cage coming out to support basketball
  - Girls basketball beat Bellefontaine
- The Girls Bowling team won their first tournament championship in the history of the program.
- Swim Season just started
- German Program donated canned goods to one of our local organizations
- Student council made a one thousand dollar donation to the Neighborhood Bridges Program
- For the Holiday Season Student Council also donated 150 meals to the Hope House.
