**REVISED POLICY - VOL. 41, NO. 1**

**7217 - WEAPONS**

The Board of Education prohibits visitors from possessing, storing, making, or using a weapon, including a concealed weapon, in a school safety zone and any setting that is under the control and supervision of the Board for the purpose of school activities approved and authorized by the Board including, but not limited to, property leased, owned, or contracted for by the Board, a school-sponsored event, or in a Board-owned vehicle, except as permitted by law.

The term "weapon" includes any object which, in the manner in which it is used, is intended to be used, or is represented, is capable of inflicting serious bodily harm or property damage, as well as endangering the health and safety of persons. Weapons include, but are not limited to, firearms, guns of any type, including air and gas-powered guns, (whether loaded or unloaded), knives, razors, clubs, electric weapons, metallic knuckles, martial arts weapons, ammunition, incendiary devices, explosives, and other objects defined as dangerous ~~ordinances~~ **ordinances** under State law.

The Superintendent shall immediately refer a visitor who violates this policy to law enforcement officials and may take any necessary steps to exclude the visitor from Board property and Board-sponsored events, regardless of whether such visitor possesses a valid concealed weapon license.

Exceptions to this policy include:

- A. weapons under the control of State or Federal agents authorized to carry deadly weapons who are acting within the scope of their duties or law enforcement agents, ~~and~~ ~~(-)~~ **and** weapons carried by security personnel ~~or other designated staff~~ employed by the Board who are qualified under State law to carry a weapon in a school safety zone while on active duty;

~~**[DRAFTING NOTE: Districts should consult with legal counsel to confirm eligibility requirements under current law before designating an employee to carry a concealed weapon onto school property.]**~~

- B. handguns in the possession of **an individual who has been issued a concealed handgun license that is valid at the time of conveyance** ~~a person who has a valid concealed handgun license~~ or who is an active duty member of the armed forces with a valid military identification card and documentation of successful completion of firearms training if the handgun remains in a vehicle with the individual or is left in a locked vehicle when the person exits the vehicle;

~~**[DRAFTING NOTE: With the passage of S.B. 215, Ohio's concealed carry gun laws changed significantly. The change took effect June 13, 2022 and for the first time, authorized qualified individuals to carry certain weapons without an official concealed carry license. The revised law defines "qualifying adult" as a person who is twenty-one (21) years of age or older, is not legally prohibited from possessing or receiving a firearm under specified Federal or State law, and satisfies specified criteria necessary to obtain a concealed handgun license. Importantly, however, the law still requires an individual to have a concealed carry permit or be an active duty member to carry a weapon onto school grounds under these limited circumstances. Permitless carriers are not allowed to carry weapons into a school safety zone. A violation of this law is still considered a felony offense in Ohio.]**~~

- C. **(x ) weapons carried by other qualified individuals who receive written authorization by the Board as summarized below:**

**Qualified Individuals with Written Authorization to Carry Weapons**

**Individuals who are not hired to serve as special police officers or security guards, or to serve in similar law enforcement or security positions, may receive written authorization from the Board to carry weapons onto school property if they meet the following requirements:**

**Qualified individuals who have not completed the peace officer training program must complete initial training of up to twenty-four (24) hours, as well as annual requalification training of up to eight (8) hours, which is developed and provided by the Department of Public Safety's Mobile Training Team ("MTT"). In addition to the training required under State law, the Board may require further training for individuals to become or remain eligible. Individuals must fulfill any other requirements adopted by the Department of Public Safety as well. The Board will pay all fees associated with any required training. As an alternative to requiring a designated individual to complete training provided by the MTT, the Board has the authority to develop and adopt alternate curriculum, instruction, and training that follows the private investigator and security guard firearms training guidelines. Alternate curriculum and training will be submitted and approved in advance by the Ohio School Safety and Crisis Center ("OSSCC").**

Records pertaining to individuals authorized to carry weapons onto school property do not constitute public records.**

The Board directs the Superintendent to post notices prohibiting the carrying and possession of concealed weapons in a school safety zone, including schools and school buildings, on school premises and school buses, and at school activities. The notices shall contain a statement substantially in the following form:
