### REQUEST FOR EXTENDED FIELD TRIP

The Board of Education recognizes that properly planned extended field trips provide students with valuable learning experiences beyond that which can be experienced inside the school walls. Extended (overnight) field trips while school is in session are not normally approved. The Board will consider special requests for such trips when they are necessary for a curriculum or curriculum purpose, well planned and satisfactorily financed.

Class/Students Who Will Participate: Grades 5-8, in 2025-2026 school year

Dates of Trip July 6 thru July 14, 2026 Is this mandatory or voluntary for students voluntary

Number of school days missed: 0

Describe the nature of the trip (destination, activities planned, educational objectives intended to be addressed, work expected of the students and follow-up upon return): Robotics, engineering, and future cities of Japan. Tour robotics centers.

See how cities are on the forefront of human mobility and innovation in sustainability.
